Coronavirus Information and Guidelines

With the changing guidelines that are being required due to the Coronavirus, we may be continually revising our plans for everyone's safety. Remember, despite all the plans we put in place, you still need to be aware of the given basics: WASH YOUR HANDS AND WASH THEM OFTEN, MAINTAIN SOCIAL DISTANCING (AT LEAST 6'), AND WEAR YOUR MASK AT ALL TIMES WHILE IN THE BUILDING.

All affiliates having events after June 1, 2020 should only accept ASCA's new entry form, which includes a waiver regarding COVID.

All paperwork, ribbons, and awards will be handled only by the judge, designated steward, and/or Show Chair.

Exhibitors must check in with Purina Security at the main gate for a temperature check before entering the grounds.

There will be marked entrances and exits to the building. Exhibitors will be allowed to stay in the building during the trial, as long as the number doesn't exceed 50 TOTAL in the building at any given time, including Purina & Gateway ASC (GASC) workers and our judge. We have chosen to cut the number of exhibitors off at 40 so that no one has to stay in their cars in between their runs. We will not hire outside workers, as that will take away from our exhibitor numbers. We ask everyone to pitch in to help where needed to maximize the allowed number of people allowed.

If entries exceed 40 exhibitors, GASC will do a random draw 2 weeks prior to the trial weekend to keep it fair for everyone. GASC will give priority to those that commit to working the trial. There will be a worker sign-up sheet posted ahead of time.

The jump bars will be disinfected during worker changes. We will be using the double fence/chute for entry and exit from the ring. There will be no swing gating at this trial. There will also be gating 6' around the timer, scribe & gate steward.

Masks (which you must provide) will be required while in the building at all times, including while you are running your dog, UNLESS you have respiratory issues that you cannot run with a mask.

The leash runner will have a grabber to move the leash and the grabber will be cleaned between runs. Exhibitors may choose to wear or pocket the leash, so long as it is attached tightly to your body or completely inside a pocket. If the leash falls out or the dog grabs for the leash to play, it will be considered a toy and the run will be eliminated. ASCA does not assume responsibility if the handler chooses to wear or pocket their leash and it catches on obstacles and/or causes the handler to trip.

There will be NO printed course copies distributed.

The Trial Secretary will send an email to all registered exhibitors the night before each trial with a link to the next day's maps, as well as the running order, any necessary briefings & results. There will be no group judge's briefings, except for the Novice classes to answer any of their questions. The judge will be available during the trial to answer any questions.

No ATCH parties may be held at this trial.

Our awards chairperson will prepare ribbons after the completion of the class. NO SELF SERVE ribbons, please.

If it is possible that you may get your ATCH during this trial, please email Judith Walker at studiohillk9.eventsecretary@gmail.com.

Bathrooms and door handles will be cleaned throughout the day. Hand sanitizer will be provided by GASC and be in stations around the building. This is not to be used in lieu of HAND-WASHING.

People who test positive or have relatives who test positive for coronavirus or if you have been notified that you have been in contact with someone that contracts COVID, please follow state and local quarantine rules. People who are not feeling well and contact the Trial Secretary at least 1 hour before the start of the trial day will be given the same refund as an injured/sick dog. No doctor's note is required. We will automatically cancel the following days' runs also. You will receive that same refund for each of the remaining days and ask that you not return to the show site. PLEASE STAY HOME AND KEEP EVERYONE SAFE. People who are visibly sick and attend the trial will be asked to leave with NO REFUND. Please make arraignments with another person to retrieve your belongings left on site.

The Event Committee has the right and ability to amend the premium as to the changing CDC/Purina guidelines regarding COVID-19.

GASC is doing all we can to make this trial safe and to comply with state and CDC guidelines; however, we cannot guarantee your safety and good health. If you are concerned about the possibility of exposure to the coronavirus, or if you are unwilling to follow the stated rules within, please do not enter this trial.
